

Jubilant Crop Protection Limited, Vilayat (Gujarat)

Six Monthly Compliance for the period from June to November 2022

For the Environmental Clearance vide letter no. J-11011/311/2014-IAII (I) dtd. 8.01.2018

Date: 30.11.2022

Environmental Clearance vide letter no. J-11011/311/2014-IAII (I) dtd. 8.01.2018 proposal no. IA/GJ/IND3/216438/2021 dated 28th July, 2021		
Sr. No.	Conditions	Compliance Status
1	The Ministry had earlier granted environmental clearance vide letter dated 8th January, 2018 in favour of M/S Jubilant Life Sciences Limited to the project for Setting up Technical Grade Pesticides and Intermediates Manufacturing unit at Plot No. 5, SEZ, Vilayat GIDC, Taluka Vagra, District Bharuch, Gujarat. The Ministry vide letter dated 13th May, 2021 has transferred the said environmental clearance in favour of M/S Jubilant Ingrevia Limited based on the application submitted by the project proponent.	Noted.
2	M/S Jubilant Crop Protection Limited has now informed that, M/S Jubilant Ingrevia Limited has set up a new entity/subsidiary M/S Jubilant Crop Protection Limited, having separate Board of directors, however, without any change in the ownership of the company, and thus necessitating transfer of all requisite approvals in the name of new company. It is noted that M/S Jubilant Crop Protection Ltd is a 100% subsidiary of M/S Jubilant Ingrevia Ltd established with an objective to focus on technical grade pesticides and intermediates through setting up manufacturing facilities and further sale of the products in both domestic and international markets. M/S Jubilant Ingrevia Limited has provided no objection for name change and transfer of the environmental clearance dated 8th January 2018 in favour of M/S Jubilant Crop Protection Limited.	Noted.
3	M/S Jubilant Crop Protection Limited has submitted an undertaking to abide by the terms and conditions stipulated in the environmental clearance dated 8th January, 2018 issued in favour of M/S Jubilant Life Sciences Limited, and later transferred in favour of M/S Jubilant Crop Protection Limited vide Ministry's letter dated 13th May, 2021. M/S Jubilant Crop Protection Limited is registered under the Ministry of Corp Affairs with Certificate of Incorporation (CIN) U24300UP2021 PLC146803.	Noted.
4	Now, therefore, as per para 11 of the EIA Notification, 2006, the environmental clearance dated 8th January, 2018 granted to the above project by the Ministry, is hereby transferred from M/S	Noted.

	Jubilant Ingrevia Limited to M/S Jubilant Crop Protection Limited, on the same terms and conditions under which prior environmental clearance was initially granted.	
5	This issues with approval of the competent authority	Noted.
Environmental Clearance vide letter no. J-11011/311/2014-IAI(I) dtd. 8.01.2018 proposal no. IA/GJ/IND2/51463/2014 dated 6th October, 2017		
Sr. No.	Conditions	Compliance Status
1	This has reference to your proposal no. IA/GJ/IND2/51463/2014 dated 6 th October, 2017 for environmental clearance to the above project, along with documents including Form-1, terms of reference (ToR), EIA/EMP report containing the public hearing proceedings/ details.	Noted.
2	The Ministry of Environment, Forest and Climate Change has examined the proposal for Environmental Clearance to the project for setting up Technical Grade Pesticides and Intermediates Manufacturing Unit of capacity 32350 TPA by M/s Jubilant Life Sciences Limited (Gujarat). The details of proposed products are as under.	Noted & shall be complied.

S. No.	Product	Quantity (TPA)
1	Mepiquat Chloride	160
2	Chlormequat Chloride	2000
3	Chlorpyrifos & its derivatives	10000
4	Imidacloprid	1000
5	Acetamiprid	500
6	Thiamethoxam	500
7	Thiacloprid	200
8	Chlorfluazuron	100
9	Chlorantraniliprole	1000
10	Cyantraniliprole	1000
11	Triclopyr	220
12	Triclopyr butoxy ethyl ester	220
13	Fluroxypyr-methyl	1000
14	Clodinafop Propargyl	200
15	Diquat dibromide	1500
16	Haloxypop-P-methyl	100

[illegible]

4	-	The estimated project cost is Rs.250 crores. Total capital cost earmarked for pollution control measures is Rs.957.27 lakhs and the recurring cost for O&M shall be about Rs.208.2 lakhs per annum. It has been proposed to allocate Rs.6.25 crores @ 2.5% towards Corporate Social Responsibility.	Noted & shall be complied.																		
5	-	Total water requirement of 1492 cum/day shall be met from surface water i.e. Narmada water, which shall be supplied by GIDC through JIL. Total effluent generated is estimated to be 659 cum/day, out of which 564 cum/day, after treatment in ETP, shall be discharges to the deep sea through GIDC drain.	Noted & shall be complied. Entire water will be Sourced through GIDC from the Narmada River Project. Entire quantity of effluent will be treated in conjunction with existing CETP.																		
6	-	The power requirement for the proposed facility shall be 4 MW which is proposed to be met either through captive generation by SEZ operator M/s JIL or sourced from grid of Dakshin Gujarat Vij Company Limited (DGVCL). In addition, the plant shall have 4 DG sets of 500 KVA capacity each, for emergency power back-up during grid power failure. Adequate stack heights, as per CPCB standards shall be provided to the DG sets.	Noted & shall be complied. Adequate stack height shall be provided to the DG sets.																		
7	-	Details of solid waste/ hazardous waste generation and its management are as under:	Shall be complied.																		
<table><tr><th>S. (a)								Shall be complied.	
(b)								Shall be complied.	

The project / activity is covered under category A of item 5(b) 'Pesticides industry and pesticide specific intermediates' of the Schedule to the Environmental Impact Assessment Notification, 2006, and required appraisal at central level by the sectoral EAC in the Ministry.

The ToR for the project was granted by Ministry vide letter dated 6th January, 2015 followed by the amendment on 27th March, 2017. Public hearing was conducted by the SPCB on 18th August 2017.

The proposal was considered by the Expert Appraisal Committee (Industry-2) in its 30th meeting held during 2-3 November, 2017. The project proponent and their accredited consultant M/s Kadam Environmental Consultants, presented the EIA / EMP report as per the ToR. The committee found the EIA / EMP report to be satisfactory and complying with the ToR. The Committee has recommended the proposal for grant of environmental clearance.

Based on the proposal submitted by the project proponent and recommendations of EAC (Industry-2), the Ministry of Environment, Forest and Climate change hereby accords environmental clearance to the project 'Setting up Technical Grade Pesticides and Intermediates Manufacturing unit, of capacity 32350 TPA by M/s Jubilant Life Sciences Limited (Unit-3) at Plot no.5, SEZ, Vilayat GIDC, Taluka Vagra, District Bharuch (Gujarat), under the provisions of the EIA Notification, 2006, subject to the compliance of the terms and conditions as below:

Total production of pesticides for domestic sale shall include manufacturing of 10% bio-pesticides, to be achieved progressively within a period of 5 years from the date of commissioning of the project.

Consent to Establish/Operate for the project shall be obtained from the State Pollution Control Board as required under the Air (Prevention and Control of Pollution) ACT, 1981 and the Water (Prevention and Control of Pollution) ACT, 1974.

Consent to Establish (CTE) is obtained from the GPCB on dated 2nd December 20. Provisional consent order (CCA) is obtained from GPCB on dated 27/09/2021 valid up to 26/09/2026.

(c)	The effluent discharge of 564 cum/day, through GIDC pipeline to deep sea, shall confirm to the standards prescribed under the Environment (Protection) Rules, 1986.	Shall be complied.
(d)	Necessary authorization required under the Hazardous and Other Wastes (Management and Trans-Boundary Movement) Rules, 2016, Solid Waste Management Rules, 2016 shall be obtained and the provisions contained in the Rules shall be strictly adhered to.	Shall be complied.
(e)	National Emission Standards for Organic Chemicals Manufacturing Industry issued by the Ministry vide G.S.R. 608(E) dated 21 st July, 2010 and amended from time to time shall be followed.	Shall be complied.
(f)	To control source and the fugitive emissions, suitable pollution control devices shall be installed to meet the prescribed norms and/or the NAAQS. The gaseous emissions shall be dispersed through stack of adequate height as per CPCB/SPCB guidelines.	Shall be complied.
(g)	Solvent management, if any, shall be carried out as follows: (i) Reactor shall be connected to chilled brine condenser system. (ii) Reactor and solvent handling pump shall have mechanical seals to prevent leakages. (iii) The condensers shall be provided with sufficient HTA and residence time so as to achieve more than 95% recovery. (iv) Solvents shall be stored in a separate space specified with all safety measures. (v) Proper earthing shall be provided in all the electrical equipment wherever solvent handling is done. (vi) Entire plant shall be flame proof. The solvent storage tanks shall be provided with breather valve to prevent losses. (vii) All the solvent storage tanks shall be connected with vent condensate with chilled brine circulation.	Shall be complied. Shall be complied. Shall be complied. Shall be complied. Shall be complied. Shall be complied.
(h)	Total fresh water requirement shall not exceed 1492 m ³ /day proposed to be met from GIDC supply through M/s JIL-SEZ. Prior permission in this regard shall be obtained from the concerned regulatory authority.	Shall be complied.

(i)	Process effluent/any wastewater shall not be allowed to mix with storm water. Storm water drain shall be passed through guard pond.	Shall be complied.
(j)	Hazardous chemicals shall be stored in tank farms, crums, carboys etc. Flame arrestors shall be provided on tank farm and solvent transfer through pumps.	Shall be complied.
(k)	Process organic residue and spent carbon, if any, shall be sent to cement industries. ETP sludge, process inorganic & evaporation salt shall be disposed off to the TSDF.	Shall be complied.
(l)	The company shall strictly comply with the rules and guidelines under Manufacture, Storage and Import of Hazardous Chemicals (MSIHC) Rules, 1989 as amended time to time. All transportation of Hazardous Chemicals shall be as per the Motor Vehicle Act (MVA), 1989.	Shall be complied.
(m)	The company shall undertake waste minimization measures in the following manner: - (i) Metering and control of quantities of active ingredients to minimize waste. (ii) Reuse of by-products from the process as raw materials or as raw material substitutes in other processes. (iii) Use of automated filling to minimize spillage. (iv) Use of Close Feed system into batch reactors. (v) Venting equipment through vapor recovery system. (vi) Use of high pressure hoses for equipment clearing to reduce wastewater generation.	Shall be complied. Shall be complied. Shall be complied. Shall be complied. Shall be complied.
(n)	The green belt shall be developed along the plant periphery of M/s Jubilant Life Sciences Limited (Unit-3) in downward wind direction, and along road sides etc. Total plantation within the unit as well as that already in place for the SEZ operated by M/s JIL, shall not be less than 33% of the total SEZ area. Selection of plant species shall be as per the CPCB guidelines in consultation with State Forest Department.	Shall be complied. Adequate area along the periphery of the SEZ is identified & developed for green belt. Till date, 28083 nos. of trees are planted giving priority to local plant species such as Shirish, Neem, Gulmohar, Amaltash, Jamun, Saptaparni, Jacaranda, Peltorum, Palash, Teak etc. Efforts shall be continued in the proposed project construction and operation also.
(o)	All the commitments made regarding issues raised during the public hearing/consultation meeting held on 18 th August, 2017 shall be satisfactorily implemented.	Noted & shall be complied.
(p)	At least 2.5% of the total project cost shall be allocated for Enterprise Social Commitment based on public hearing issues and item-wise details along with time bound action plan shall be prepared and submitted to the Ministry's Regional Office.	Shall be complied.

(q)	The company shall make all arrangements for control of noise from the drilling activity. Acoustic enclosure shall be provided for the DG sets along with the adequate stack height as per CPCB guidelines. (Remarks :	Shall be complied.
(r)	The unit shall make the arrangement for protection of possible fire hazards during manufacturing process in material handling. Firefighting system shall be as per the norms.	Shall be complied.
(s)	Occupational health surveillance of the workers shall be done on a regular basis and records maintained as per the Factories Act.	Shall be complied.
(t)	Optimum quantity of raw material storage should not exceed 15 days at any point of time.	Shall be complied.
(u)	Continuous online (24X7) monitoring system for stack emissions and the effluent, shall be installed for measurement of flow/discharge and the pollutants concentration, and the emission and effluent monitoring data to be transmitted to the CPCB and SPCB server as per the directions of CPCB in this regard.	Shall be complied.
11.1	The grant of Environmental Clearance is further subject to compliance of other generic conditions as under:-	
(i)	The project authorities must strictly adhere to the stipulations made by the State Pollution Control Board (SPCB), State Government and/or any other statutory authority.	Shall be complied.
(ii)	No further expansion or modifications on the plant shall be carried out without prior approval of the Ministry of Environment, Forest & Climate Change. In case of deviations or alterations in the project proposal from those submitted to this Ministry for clearance, a fresh reference shall be made to the Ministry to assess the adequacy of conditions imposed and to add additional environmental protection measures required, if any.	Noted & shall be complied. Name change from Jubilant Life Sciences Limited to Jubilant Crop Protection Limited granted by MoEF&CC on dated 28 th July 21.
(iii)	The locations of ambient air quality monitoring stations shall be decided in consultation with the State Pollution Control Board (SPCB) and it shall be ensured that at least one stations each in installed in the upwind and downwind direction as well as where maximum ground level concentrations are anticipated.	Shall be complied.
(iv)	The National Ambient Air Quality Emission Standards issued by the Ministry vide G.S.R. No. 826(E) dated 16 th November, 2009 shall be complied with.	Shall be complied.
(v)	The overall noise levels in and around the plant area shall be kept well within the standards by providing noise control measures including acoustic hoods, silencers, enclosures etc. on all sources of noise generation. The ambient noise levels shall confirm to the standards prescribed under Environment (Protection) Act, 1986 Rules, 1989 viz. 75 dBA (day time) and 70 dBA (night time). (Remarks: Pl ensure from design stage)	Shall be complied.

(vi)	The Company shall harvest rainwater from the roof tops of the building and storm water drains to recharge the ground water and utilize the same for different industrial operations within the plant.	Shall be complied.
(vii)	Training shall be imparted to all employees on safety and health aspects of chemicals handling. Pre-employment and routine periodical medical examinations for all employees shall be undertaken on regular basis. Training to all employees on handling of chemicals shall be imparted.	Shall be complied.
(viii)	The company shall comply with all the environmental protection measures and safeguards proposed in the documents submitted to the Ministry. All the recommendations made in the EIA/EMP in respect of environmental management, risk mitigation measures and public hearing shall be implemented.	Shall be complied.
(ix)	The company shall undertake all measures for improving socio-economic conditions of the surrounding area. CSR activities shall be undertaken by involving local villagers, administration and other stake holders. Also eco-developmental measures shall be undertaken for overall improvement of the environment.	Shall be complied.
(x)	A separate Environmental Management Cell equipped with full-fledged laboratory facilities shall be set up to carry out the Environmental Management & Monitoring functions.	Shall be complied.
(xi)	The company shall earmark sufficient funds towards capital cost and recurring cost per annum to implement the conditions stipulated by the Ministry of Environment, Forest and Climate Change as well as the State Government along with the implementation schedule for all the conditions stipulated herein. The funds so earmarked for environment management / pollution control measures shall not be diverted for any other purpose.	Shall be complied.
(xii)	A copy of the clearance letter shall be sent by the project proponent to concerned Panchayat, Zila Parisad/ Municipal Corporation, Urban local body and the local NGO, if any, from whom suggestions/ representations, if any, were received while processing the proposal.	Complied.
(xiii)	The project proponent shall also submit six monthly reports on the status of compliance of the stipulated Environmental Clearance conditions including results of monitored data (both in hard copies as well as by e-mail) to the respective Regional Office of MoEF&CC, the respective Zonal office of CPCB and SPCB. A copy of Environmental Clearance and six monthly compliance status shall be posted on the website of the company.	Six monthly compliance report was submitted on 30.05.2022 – Complied. Monitoring data - shall be complied.
(xiv)	The environmental statement for each financial year ending 31 st March in Form-V as is mandated shall be submitted to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website	Shall be complied.

		of the company along with the status of compliance of environmental clearance conditions and shall also be sent to the respective Regional Offices of MoEF&CC by e-mail.	
	(xv)	The project proponent shall inform the public that the project has been accorded environmental clearance by the Ministry and copies of the clearance letter are available with the SPCB/Committee and may also be seen at Website of the Ministry at http://moef.nic.in . This shall be advertised within seven days from the date of issue of the clearance letter, at least in two local newspapers that are widely circulated in the region of which one shall be in the vernacular language of the locality concerned and a copy of the same shall be forwarded to the concerned Regional office of the Ministry.	Complied. Advertisement was published in 2 local newspapers Times of India for English & Sandesh for Gujarati on dtd.16.01.2018. Copy is attached herewith as Annexure-1 .
12		The Ministry may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.	Noted.
13		The Ministry reserves the right to stipulate additional conditions, if found necessary. The company in a time bound manner will implement these conditions.	Noted.
14		The above conditions will be enforced, inter-alia under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, the Hazardous Waste (Management, Handling and Trans-boundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 read with subsequent amendments therein.	Noted & shall be complied.
