

FOOD AND FEED SAFETY POLICY

Jubilant Ingrevia Limited and its subsidiaries are committed to deliver innovative, safe, hygienic and cost effective quality products to customers complying to all applicable statutory and regulatory requirements of the territory of operations.

This commitment is being demonstrated with the implementation of following:

- A clear and measurable food and specialty feed ingredients safety management system throughout supply chain
- To upgrade systems and processes continually to improve quality, delivery of safe food and specialty feed ingredients
- Constantly explores the opportunity to upgrade its manufacturing technologies and quality standards to achieve and maintain food and specialty feed ingredients safety leadership with thrust on ecofriendly processes
- Strives to create a cohesive, motivated and competent team by providing necessary training to enhance knowledge and skills
- Ensures prevention of fraud/adulteration of food and specialty feed ingredients

This policy shall form the basis of establishing and reviewing the objectives of food and specialty feed ingredients safety and same shall be communicated across the organization.

This policy will be reviewed periodically to ensure its continuing suitability, adequacy and effectiveness and comply with all applicable requirements of the Food and Feed Safety Management System.
